

Student Immunization Information

Students attending school in Ontario must provide proof of immunization against **diphtheria, tetanus, polio, measles, mumps and rubella** as required by the *Immunization of School Pupils Act*. Students who are not immunized must provide a valid exemption.

Ottawa Public Health collects and maintains student immunization information. The information is reviewed each school year to ensure that students continue to meet the requirements of the law.

Please remember to contact the Immunization Program to update your child's immunization information every time your child is vaccinated. This can be done on the web at ottawa.ca/health.

If an exemption is required for any reason, contact the Immunization Program at 613-580-6744 extension 24108.

Please complete this form and attach a photocopy of the student's immunization record or the original exemption affidavit.
