

Options for Tuition Rates for 2017/18

Please select one from the following options, sign and return to the CFO

Family Name _____ Student(s) Name(s) _____

Option #1: Governors Club / Organizations / Businesses rate is \$19,197 and reflects the true cost of tuition

Option #2: The Non-assessed tuition rates are as follows (and do not require a family to disclose its family income)

First Child \$15,555 Second Child \$14,845 Third Child \$14,381 Fourth + Child \$14,069

Option #3: Assessed rates: Discounted tuition rates are available and are based on 2 variables: Gross family income and number of kids enrolling in the school. These rates are detailed on the enclosed Tuition Fee Table. Families must disclose their gross family income to access these rates. Gross Family Income is defined as line 150 of your tax returns. Declared income must be verified by our CFO or your accountant every three years unless the family has a change in their financial circumstances. As such:

- all new families must select a method of income verification as per below
- Returning families must indicate whether they are in the same band on the tuition grid as they were for 2016/17 or whether they are in a different band because of a change in financial circumstances
- **Families who have been enrolled at the school since September 2014** and who have not verified their gross family income since then, must re-verify their gross family income as the 3-year threshold will have been met

Please choose from the following methods to verify your gross family income:

Financial self-declaration certified by your accountant, or

Financial declaration directly to school's CFO at no cost
(submit copy of tax return including line 150)

The Financial Self Declaration Form, if applicable, is to be returned in a sealed envelope to the school office where it will be delivered to the CFO's office. Financial declaration to the school's CFO can be done using the contact information below.

Option #4: Tuition Assistance Program. This option requires full financial disclosure. Please refer to the "**TUITION ASSISTANCE PROGRAM – NEW ELECTRONIC PROCESS for 2017/2018**" (attached to enrollment package) for guidance on how to apply.
