## Parent Participation Program Contribution Form 2017-2018

The school's Parent Participation Program (or Fair Share hours program) is run in conjunction with the PTA to enrich and enhance the relationships between teachers, parents, students and to bring the school together as a community.

Each family is asked to commit to a minimum of five hours over the entire school year to assist with school activities. For those who are unable to commit to the five hours, the school is requesting a fee of \$10/hour.

Hours will be tracked. Hours must be completed by the end of the school year.

Parents can record their hours in a binder, located in front of the main school office. We thank you in advance for your support.

If you are unable or unwilling to volunteer in the school, you may submit your \$50 contribution form now and will not be contacted for fair share hours.

Please find enclosed my contribution for \$50\* in lieu of my five fair share hours.
