00:12:18.182,00:12:21.182

Madelaine Werier: I have two questions

00:12:20.679,00:12:23.679

Daniel Shapiro: Our girls love video calls with their friends

00:12:33.794,00:12:36.794

Eliana Mandel-Carsen: How can the Ks use this platform

00:12:40.534,00:12:43.534

Josh Max: PTA email is pta@theojcs.ca

00:12:58.575,00:13:01.575

Derek Smolkin: The schedule for the next 3 days looks great - Joey wants to know if he will have art as well

00:13:01.050,00:13:04.050

Sandi S: I can't recall if the week leading to passover has some school days (6, 7,8 etc) and it would be super helpful if not...

00:13:31.846,00:13:34.846

Manya Greenberg: yes

00:13:38.065,00:13:41.065

Manya Greenberg: I think I know

00:13:49.201,00:13:52.201

Sandi S: Yes to my question Manya? That would be so great

00:14:11.775,00:14:14.775

Sari and Alec Milenietz: Hi Jon. The schedules look great. Comprehensive, diverse and achievable. However, with kids in grade 2 and 4, they have different break and lunch times. Would it be possible to sync those breaks across the grades?

00:14:33.150,00:14:36.150

Manya Greenberg: Mine doesn't either but if you try to press it it shows a sub link

00:14:49.872,00:14:52.872

Shira Waldman: There is an art lesson and some drawing prompts on the art blog (art with heart)

00:14:53.893,00:14:56.893

Elana Aptowitz: Totally agree with Sari/Alec's comment. Would be so helpful to sync breaks

for all grades.

00:15:18.443,00:15:21.443

Shari Borsuk: Syncing lunch would be a game-changer.....

00:15:23.925,00:15:26.925

Keren Gordon: Yes, we will be paying attention to syncing lunch schedules/breaks for next week.

00:15:32.276,00:15:35.276

Josh Max: Madeline I'm also on a Mac and the links are working for me. So I'm guessing the issue might be local to you machine. Let's connect outside of this meeting tomorrow and see if we can figure it out

00:15:32.534,00:15:35.534

Sari and Alec Milenietz: Thanks

00:15:50.329,00:15:53.329

ILANA Albert-Novick: Excellent idea: syncing schedule and having something over pesach break

00:15:54.598,00:15:57.598

Rachel Anber: I agree with you, Maddy. We will need to stick to the schedule or chaos will ensue...

00:16:00.085,00:16:03.085

Josh Max: Email me at j.max@theojcs.ca when you have a moment and we will go from there

00:16:08.783,00:16:11.783

Kiera Vered: agreed.

00:16:12.617,00:16:15.617

Shira Waldman: @Derek There is an art lesson available on the art blog as well as some drawing prompts

00:16:13.388,00:16:16.388

Daniel Shapiro: @madelaine same issue by us. Change is hard on special needs kids.

Scholastics has free courses for Kto9

00:16:16.037,00:16:19.037

Adam Sachs: I have a question.

00:16:21.994,00:16:24.994

Heather Kass: Links don't work here either

00:16:28.334,00:16:31.334

Heather Kass: Apple as well

00:16:35.314,00:16:38.314

Elana Aptowitzer: May I ask a question?

00:16:35.787,00:16:38.787

Madelaine Werier: thanks so much

00:16:37.513,00:16:40.513

Ari Breiner: I have a question

00:16:40.232,00:16:43.232

Marina M.: yes about syncing lunch/break with the kinders as well. and It would be great to ave something over the pesach break.

00:16:41.677,00:16:44.677

Michael Heitner: Grade 3 schedule says Thursday ends at 2. Was that supposed to be Wednesday? If not, why only Grade 3?

00:17:22.811,00:17:25.811

AnnLynn Rapoport: I can chat and work with Ruqayyyah.

00:18:11.368,00:18:14.368

Eliana Mandel-Carsen: I am not sure if my question was seen or if i am posting it to the correct place. I have a couple questions about how navigate it for children in different grade levels with different levels of comfort with technology.

00:18:58.540,00:19:01.540

Daniel Shapiro: FYI: We had some issues accessing some of the links (permission issue) for grades 1 and 3. Do we need to use a school email to access them? I'll try that bit some people might not have access either tomorrow.

00:19:21.562,00:19:24.562

Sandi S: Great point Elana!!!

00:19:45.355,00:19:48.355

Ada Aizenberg: that's the olan for tomorrow morning. :)

00:20:11.468,00:20:14.468

Josh Max: Hi Daniel. Yes in order to successfully access any links or online content you should be logged in with an OJCS account

00:20:32.625,00:20:35.625

Rachel Guy-Levine: us too!

00:20:47.854,00:20:50.854

Daniel Shapiro: Thanks @joshMax

00:20:49.343,00:20:52.343

Jennifer GREENBERG: me too

00:21:19.885,00:21:22.885

ILANA Albert-Novick: And also working themselves from home

00:21:41.162,00:21:44.162

Daniel Shapiro: @ari I have the same issue. Kids need to be told to try to be independent

00:21:59.476,00:22:02.476

Sandi S: Do you guys have child approved glue to keep them attached to the chair? :)

00:22:08.682,00:22:11.682

Daniel Shapiro: Lol

00:22:15.947,00:22:18.947

Julie Bennett: Hi Ari! Sam will do a great job working independently

00:22:16.312,00:22:19.312

Noga Matana: :)

00:22:17.998,00:22:20.998

Daniel Shapiro: Duct tape

00:22:23.753,00:22:26.753

Elliot Noy: I have a question

00:22:39.655,00:22:42.655

Ari Breiner: thank you

00:22:56.500,00:22:59.500

Sandi S: How much child interaction is possible to allow them social time

00:23:21.705,00:23:24.705

Sandi S: le here, I can really just see you at the moment. Will the kids be able to interact?

00:23:44.249,00:23:47.249

Zachary Dougherty: Kol Hakavod to all of you. Thank you so much for all of your hard work and regular communication with us.

00:23:45.857,00:23:48.857

Sandi S: Great:)

00:24:02.422,00:24:05.422

Eliana Mandel-Carsen: Will the students be able to ask the teachers for assistance during live activities ?

00:24:03.593,00:24:06.593

ILANA Albert-Novick: Please repeat the question Jon that you are answering.

00:24:23.493,00:24:26.493

Sandi S: And can you confirm if there is a formal calendar for April 6, 7, 8 and maybe part of 9th?

00:24:30.141,00:24:33.141

Josh Max: @eliana yes!

00:24:36.593,00:24:39.593

Madelaine Werier: Quite a few of our class parents are having my issue with links not working on apple products. FYI

00:24:37.323,00:24:40.323

Micah Potechin: I'm not familiar with Zoom functionality, but this is pretty amazing

00:24:40.108,00:24:43.108

ILANA Albert-Novick: I have a question

00:24:43.266,00:24:46.266

Manya Greenberg: Is this going to work in a "work" atmosphere? I have to bring him with me

00:24:48.742,00:24:51.742

Sandi S: Wasn't sure if passover break was starting earlier because school was close

00:24:59.361,00:25:02.361

Sandi S: d

00:25:14.669,00:25:17.669

Laine Lazarovitz: lol Ilana Albert Novak

00:25:22.964,00:25:25.964

Sandi S: For those of us who are working from home, the amount of time off is scary

00:25:30.370,00:25:33.370

Josh Max: Depending on how each teacher runs their class some will be vocal like we are doing here and some will be just through the chat. But absolutely students can ask questions

00:25:43.332,00:25:46.332

Laine Lazarovitz: What platform will the kids be using? this meetup or google hangouts? what's the difference?

00:25:44.791,00:25:47.791

AnnLynn Rapoport: Ari , Nathaniel will be excited to complete the activities.

00:25:45.272,00:25:48.272

Sandi S: Would love if you could reconsider the days prior to passover

00:25:47.768,00:25:50.768

David Anber Criminal Lawyer: Do I understand that if we have two kids, each will need their own device; their own quiet workspace; and the credentials for their own ojcs account ?

00:26:28.963,00:26:31.963

AnnLynn Rapoport: No they can be done at any time

00:26:33.579,00:26:36.579

Keren Gordon: Our middle name will be flexibility!

00:26:38.360,00:26:41.360

Marina M.: I agree with many others that it would be very helpful to have school days back on those few days before Pesach.

00:26:58.430,00:27:01.430

Jessica Greenberg: Me too - the more school the better

00:27:03.427,00:27:06.427

ILANA Albert-Novick: And during Chol hamoed...

00:27:11.990,00:27:14.990

Yael-Jennifer Pfeiffer: Agreed about pre Passover classes

00:27:29.405,00:27:32.405

Elliot Noy: Thank you

00:27:44.499,00:27:47.499

Eliana Mandel-Carsen: I have a question about hoe attendance will work

00:27:46.384,00:27:49.384

Manya Greenberg: I work in private clinic. Lots of moving parts. How can one navigate their child's online learning?

00:27:47.608,00:27:50.608

Laine Lazarovitz: Josh Max - I sent you an email with a family specific question. Please let me know if you've received it

00:28:32.608,00:28:35.608

Julie Bennett: Manya, Jack should be able to work quietly in your work space. Please let me know if he doesn't :)

00:28:37.799,00:28:40.799

ILANA Albert-Novick: Eliana's question was mine too

00:28:44.123,00:28:47.123

ILANA Albert-Novick: About attendance

00:28:50.094,00:28:53.094

Sandi S: Maybe in the community there might be some device loans possible....Don't know that our very old iPad could be of use to someone but we do have an extra

00:28:52.528,00:28:55.528

Danny Peters: Will the children be able to work in the same space with headphones or will that be disruptive?

00:29:01.569,00:29:04.569

Rachel Guy-Levine: i have a question

00:29:15.419,00:29:18.419

Shari Mayman: Will we be having another town hall to provide feedback?

00:29:48.997,00:29:51.997

Josh Max: @laine. Yep I got the email. I will respond tonight or tomorrow and get back to you

00:29:59.257,00:30:02.257

Innie Chen: I have a fairly similar concern with children of different ages. Would it be possible to

shuffle the schedule so that the live experiences are back-to-back and limited to a consistent part of the day? (eg. everyday 9-11am)

00:30:10.424,00:30:13.424

Laine Lazarovitz: Where is the like button? jk

00:30:36.454,00:30:39.454

Julie Bennett: Danny, let's try and see if your kids can work with headphones tomorrow. We will let you know if it is disruptive.

00:30:40.025,00:30:43.025

Manya Greenberg: Can kids be with other kids or are we all expected to be alone completely

00:30:45.558,00:30:48.558

Eliana Mandel-Carsen: How do we know which ones are live?

00:31:01.422,00:31:04.422

Manya Greenberg: Can Jack go to Benny's for instance and learn as a group?

00:31:09.715,00:31:12.715

Sandi S: During Chol Hamoed, maybe parents can use some of these platforms to school among themselves if there is no program? I may be able to do some social studies-ish stuff on disability awareness. Maybe there could be some cross grade parent provided learning for those of us who need to keep our kids on a schedule

00:31:10.962,00:31:13.962

Danny Peters: Thanks Julie

00:31:21.589,00:31:24.589

Lianna Krantzberg: @Eliana - "google meet" on the schedule means Live Experience (a video call like this)

00:31:32.448,00:31:35.448

Cindy Poplove: @manya. No. We should all be avoiding live play dates

00:31:45.987,00:31:48.987

Ada Aizenberg: Google Meet is the live times

00:32:06.892,00:32:09.892

ILANA Albert-Novick: Agreed Cindy!!

00:32:09.771,00:32:12.771

David Anber Criminal Lawyer: Thx for the answer to my earlier question John 🙌👍

00:32:44.261,00:32:47.261

Eliana Mandel-Carsen: What if it says that the teacher will be available on google meet but there is no link?

00:32:52.554,00:32:55.554

Sacha Yachnin: I find this very helpful.

00:32:56.953,00:32:59.953

Allan Shefrin: Is there a dress code for the google meets?

00:33:05.664,00:33:08.664

aaron smith: Will we have another call like this to go over learning from the first week and changes that may be made?

00:33:07.395,00:33:10.395

Sandi S: can you help us to understand a little about the differences or will we all understand the differences soon after seeing a day role out?

00:33:11.513,00:33:14.513

Rachel Guy-Levine: can non OJCS siblings participate in class time? assuming they are not being disruptive

00:33:14.738,00:33:17.738

Eliana Mandel-Carsen: Are the kids supposed to do the work on the computer or should parents download it in advance?

00:33:21.234,00:33:24.234

Cindy Poplove: Do the kids already know what to do tomorrow? What time do grade 8's go on tomorrow?

00:33:27.039,00:33:30.039

Sandi S: differences btw Google meet/hangout etc

00:33:30.293,00:33:33.293

Daniel Shapiro: That would be fantastic

00:34:03.518,00:34:06.518

Daniel Shapiro: I like the uniform idea

00:34:05.004,00:34:08.004

Michael Washerstein: Grade 8s start with homeroom with me at 8:45. I sent an Google Calendar invite with the meeting link

00:34:07.856,00:34:10.856

Michael Washerstein: @cindy

00:34:08.432,00:34:11.432

aaron smith: I told my kids dress code is mandatory every day....

00:34:19.025,00:34:22.025

Daniel Shapiro: @aaron good call

00:34:26.276,00:34:29.276

Laine Lazarovitz: My kids will not be in uniform

00:34:30.911,00:34:33.911

Sandi S: oops... I assumed at home kids could wear what they wanted...but we will adapt if needed

00:34:34.464,00:34:37.464

Elana Aptowitz: @Aaron, agreed. The more of us do it, the easier it is for those who want it

00:34:38.433,00:34:41.433

Derek Smolkin: I like the idea of uniforms and kippot

00:34:40.151,00:34:43.151

jennifer roberts: Jaxon is excited for uniforms. Would be good to be forced out of pjs

00:34:44.741,00:34:47.741

C Cleveland: middle school have all the links in their google calendars :)

00:34:57.013,00:35:00.013

Cindy Poplove: No uniforms please!!

00:34:57.836,00:35:00.836

Sandi S: uniform top with pj pants ;)

00:35:01.229,00:35:04.229

aaron smith: how about just make sure they wear shirts?

00:35:07.402,00:35:10.402

Laine Lazarovitz: lol

00:35:09.781,00:35:12.781

Cindy Poplove: Or clothes

00:35:11.381,00:35:14.381

David Anber Criminal Lawyer: And pants

00:35:19.012,00:35:22.012

Daniel Shapiro: 😊

00:35:22.923,00:35:25.923

ILANA Albert-Novick: Lol

00:35:32.006,00:35:35.006

ILANA Albert-Novick: I'm having a good laugh here..

00:35:34.874,00:35:37.874

Madelaine Werier: For gym time: can we choose what activity we do? We have a pool :)

00:35:59.213,00:36:02.213

Shari Mayman: Can you explain a bit more about how resource help will work? Email said kids will have their regular pull-out times. Will we be contacted directly?

00:36:00.318,00:36:03.318

Sandi S: Suddenly a bit jealous Madelaine! Enjoy it!!

00:36:01.233,00:36:04.233

Jennifer GREENBERG: @maddy, we are coming over

00:36:04.576,00:36:07.576

Ada Aizenberg: yes, that's the idea for the gym part

00:36:06.279,00:36:09.279

Sacha Yachnin: Might want to suggest a minimum bar for dress. What is not accepted. PJs?

00:36:09.378,00:36:12.378

Meirav Wolfish: What would happen if someone needs to do study hall?

00:36:09.933,00:36:12.933

Yael-Jennifer Pfeiffer: As Rachel asked, can non OJCS siblings participate in class time? assuming they are not being disruptive?

00:36:22.961,00:36:25.961

Julie Bennett: Innies, the Grade 4 teachers will look into the schedule and live sessions for next week.

00:36:23.007,00:36:26.007

Eliana Mandel-Carsen: If it says that the teacher will be available but there is no direct link is there a set place to find each teacher?

00:36:23.755,00:36:26.755

Laine Lazarovitz: FLEXABILITY around uniforms and deadlines please

00:36:26.006,00:36:29.006

ILANA Albert-Novick: Feedback: comments in advance that you can address..

00:36:26.081,00:36:29.081

David Anber Criminal Lawyer: On active feedback I think that doing exactly what we are doing now in one weeks time would be a good idea

00:36:49.051,00:36:52.051

aaron smith: Agree with David

00:36:53.495,00:36:56.495

Sharon Reichstein: Shari - yes your teacher and your resource teacher will be in touch. W

00:37:06.551,00:37:09.551

Elka Miller: Uniforms will make them feel they are at school

00:37:07.866,00:37:10.866

Lianna Krantzberg: @Eliana - you asked about teachers being available on google meet but no link... any live classroom experiences on Google Meet (like this) will have a link (it may need to be added to the schedule still). Being available on Google Hangout for individual questions doesn't require a link... it is more of an instant message/video chat tool that can easily be accessed from the e-mail account

00:37:22.249,00:37:25.249

Ilana Goldfarb: are we going to have another meeting to go over week one?

00:37:54.660,00:37:57.660

Innie Chen: Thank you Ms. Bennett.

00:37:55.438,00:37:58.438

Elana Aptowitzer: Will there be a plan to have tefillah online as a class?

00:38:02.839,00:38:05.839

Daniel Shapiro: Quick question here about printing stuff

00:38:06.709,00:38:09.709

Shari Mayman: @Sharon Reichstein - Thanks!

00:38:14.297,00:38:17.297

Linda Signer: I'm e'mailing those parents tonight

00:38:18.090,00:38:21.090

Laine Lazarovitz: And an option to opt out of tefillah

00:38:21.887,00:38:24.887

Laine Lazarovitz: ?\

00:38:48.607,00:38:51.607

Allan Shefrin: Hi. Wondering how the current situation - the virus itself, the global response - is or is not part of the curriculum being developed?

00:38:49.431,00:38:52.431

Jennifer GREENBERG: hi Liam

00:39:08.989,00:39:11.989

Meirav Wolfish: How would study hall take place

00:39:24.238,00:39:27.238

Noga Matana: @Allan: great question

00:39:38.566,00:39:41.566

ILANA Albert-Novick: Excellent idea for Kabbalat shabbat. Thank you.

00:39:46.343,00:39:49.343

Liam Vinograd: @jennifer greenberg, he says hi back.

00:39:47.250,00:39:50.250

aaron smith: I think a paediatric emergency medical professional like Alan Shefrin would be a great asset to educate our children and families

00:39:54.064,00:39:57.064

ORLY FREMETH: @Allan wants the first graders to research vaccines

00:40:06.487,00:40:09.487

Derek Smolkin: Love the idea of all-family Kabbalat Shabbat

00:40:07.957,00:40:10.957

Eliana Mandel-Carsen: Sorry if this was answered but i did not see it. Is the expectation for parents to print out the work before the day begins?

00:40:17.120,00:40:20.120

Madelaine Werier: Does the school have an account with 'Read&Write'? It is assistive technology tools/programs. Can we access it from home without buying it ourselves?

00:40:17.586,00:40:20.586

Ada Aizenberg: @allen I have a little cute story about the virus in Hebrew which I will be reading live to the kids, so there is explanation throughout and time to discuss

00:40:24.478,00:40:27.478

Daniel Shapiro: Yup

00:40:30.686,00:40:33.686

Daniel Shapiro: K

00:40:32.042,00:40:35.042

C Cleveland: @Meirav Teachers will be available for any support or extra help throughout the work day. Study hall for "expectations" <https://ojcsmath.edublogs.org/expectations/> will be on a one on one basis, as we iron out the kinks and we'll email parents if we note something. Study Hall for extra teacher support will be available throughout the day. (i.e. I have set myself Math Office Hours" for students and parents.

00:40:35.556,00:40:38.556

Janet Darwish: Eliana there is a link on our google meet and google hangout is where i can reached all day

00:40:39.893,00:40:42.893

Elka Miller: thank you. Best of luck tomorrow:)

00:40:50.716,00:40:53.716

Laine Lazarovitz: Paperless learning! save the trees! for those of us that don't have a printer at home

00:40:55.385,00:40:58.385

AnnLynn Rapoport: If you have any questions or concerns about the week Ilana please be in touch with us so we can chat.

00:41:17.604,00:41:20.604

ILANA Albert-Novick: Office hours: can those be posted for each teacher?

00:41:27.016,00:41:30.016

Rachel Guy-Levine: Bump: sibling participation for non ojcs students.

00:41:29.455,00:41:32.455

Sandi S: I would expect that Read and Write should be one. All public schools do.

00:41:35.297,00:41:38.297

Brian Kom: @Madelaine I'll let Sharon answer as well, but there are some great features on Read & Write available in the free version (e.g., text to voice)

00:41:38.702,00:41:41.702

Daniel Shapiro: I printed stuff for today but I'm hoping not to have to go into work to print stuff lots of times

00:41:43.943,00:41:46.943

Eliana Mandel-Carsen: My question was more how do we have record of the work? Are we printing and keeping a folder to be graded? Are we taking screen shots and sending them in via email once the work is completed?

00:42:20.971,00:42:23.971

C Cleveland: @Ilana I will meet with the team about this. I have time due to my Math Specialist time. But I will talk to the team. Good Point!

00:42:34.689,00:42:37.689

Sharon Reichstein: @madelaine - all google accounts have access to Google Read and Write (free version). We are in discussion whether to buy the more extensive version

00:42:50.050,00:42:53.050

Elliot Noy: If our child is working through a workbook and has it now, but if we go into a prolonged situation, will the next workbook (or materials) generally be mailed to us when needed?

00:43:04.313,00:43:07.313

Innie Chen: Given the importance of flexibility in these circumstances, will there be a move towards more independent study projects vs. traditional didactic learning?

00:43:15.830,00:43:18.830

lindsay borovay: natural reader is a free download and has great review for text to speech software

00:43:20.431,00:43:23.431

ILANA Albert-Novick: Question...

00:43:32.828,00:43:35.828

Keren Gordon: @eliana Teachers will specify how students submit their work (i.e. video or artifact of learning you keep).

00:43:39.028,00:43:42.028

Elana Aptowitzer: For those looking for additional material to fill their children's time, my friend has pulled together an incredible jewish homeschooling resource list here. You can just click the link and access it. It's amazing.

00:43:47.687,00:43:50.687

Madelaine Werier: @Brian Thank you! Both of my kids could really benefit from 'Read&Write' and it's available to all public school students so thought I would ask.

00:43:52.918,00:43:55.918

lindsay borovay: webspiration is a free download to assist with executive functioning skills for written expression (graphic organizer converts to a word document). it parallels with kidspiration

00:44:17.769,00:44:20.769

Madelaine Werier: @Sharon. Thanks! Keep me posted.

00:44:22.119,00:44:25.119

Shavit Lupo: sorry, got to go.

00:44:22.777,00:44:25.777

ILANA Albert-Novick: if kids NOT keeping up with the schedule, how will they be "caught" up with the rest of the class... or when school reopens...

00:44:44.020,00:44:47.020

Joseph Bokhaut: @ilana: great question!

00:44:47.442,00:44:50.442

Sandi S: If access to Read and Write is an issue, I can help with ideas for temporary work arounds if anyone needs help

00:44:47.606,00:44:50.606

ILANA Albert-Novick: Admitting my worry/anxiety...

00:44:55.193,00:44:58.193

Manya Greenberg: I don't speak hebrew

00:44:56.712,00:44:59.712

Sharon Reichstein: @ ilana - Spec ed teacher office hours will be posted - regular teachers you will be able to access at any time

00:45:00.485,00:45:03.485

Manya Greenberg: will that be an issue

00:45:46.082,00:45:49.082

Madelaine Werier: @Lindsay B Thank you! I will check it out.

00:46:29.835,00:46:32.835

Innie Chen: Thank you for answering my question!

00:47:07.240,00:47:10.240

Eliana Mandel-Carsen: If kids do the work at a different time then how does it effect their attendance

00:47:28.689,00:47:31.689

C Cleveland: @Ilana Sarah and I had a practice run today with Meet and the schedule, how to click links etc. She's prepared for tomorrow, and knows how to ask questions and seek support through myself and her other teachers.

00:47:42.596,00:47:45.596

Jessica Greenberg: I am still working basically fully time outside of the house - nobody else is able to read Hebrew or support Hebrew learning. How do we address that?

00:47:52.281,00:47:55.281

ILANA Albert-Novick: Thanks. I am worried about MY executive functioning during this time...

00:48:01.491,00:48:04.491

Rachel Guy-Levine: I recommend caribou as an app for kids to have online playdates

00:49:16.187,00:49:19.187

Manya Greenberg: Is this the same format they will working in? Teacher in front of camera?

00:49:49.691,00:49:52.691

ILANA Albert-Novick: Thanks Jon, and all staff (answering questions or not). REALLY appreciate it.

00:49:50.249,00:49:53.249

Innie Chen: I can touch base directly with teachers, as this may be grade-specific. I do think that multiple touch points, as opposed to one limited block of live sessions will be challenging to attend.

00:50:06.393,00:50:09.393

Sandi S: RAchel, which Caribou app. looking and unclear.

00:50:27.307,00:50:30.307

Laine Lazarovitz: Did I miss an email? did other grade 3 parents get an email with a schedule and links? Can someone forward it to me please laine.lazarovitz@gmail.com

00:50:46.546,00:50:49.546

Jessica Greenberg: Echo the thanks to Jon and all the staff and teachers. I am incredibly grateful for your commitment to our kids, how engaged you all are and how meaningful all communication has been

00:50:53.259,00:50:56.259

Sharon Reichstein: Read and write in a google chrome extension so you can down load it through your child's OJCS account as long as they are logged in through chrome. Josh Max can help you download it. I will also post other tech accommodations as well.

00:50:55.299,00:50:58.299

Sandi S: Thank you for doing this:)

00:51:25.260,00:51:28.260

Michael Heitner: There doesn't seem to be a full recess or sufficient outside time on the schedule.

00:51:28.454,00:51:31.454

Yaron Spanglet: Thank you all! So appreciative of all your work!

00:51:32.122,00:51:35.122

Madelaine Werier: @Sharon amazing! I just recently learned all the ways it can help us.

00:51:34.217,00:51:37.217

Shari Mayman: Just clarifying that the kids access the schedule (which contains all of the hyperlinks) somewhere?

00:52:19.666,00:52:22.666

Eliana Mandel-Carsen: Is there a reason that the class blocks are not all aligned? It would be easier if everyone had free time at once.

00:52:21.038,00:52:24.038

Fenway Zaret: Thank you for everything. So grateful to be part of the OJCS community.

00:52:39.824,00:52:42.824

Shari Mayman: @Julie Bennett - thanks. Wasn't sure if we were supposed to email it to them

00:53:24.864,00:53:27.864

Laine Lazarovitz: Thank you Aviva

00:53:25.776,00:53:28.776

ILANA Albert-Novick: My last comment: I love your idea for 4 o'clock Chardonnay group visit, but I do worry about families/parents that may not have those same social connections...

00:53:48.571,00:53:51.571

Sacha Yachnin: As some have pointed out: the size/scale of this audience/ engagement is impressive...

00:53:55.043,00:53:58.043

Innie Chen: Thank you again to Dr. Mitzmacher and all the teachers for pulling together during these unusual times. I think it really helps provide our children with some of the familiarity they need. Thank you OJCS. Wishing everyone a good night.

ILANA Albert-Novick: I'll touch base with Eliana/PTA because I have done ideas...

00:54:45.168,00:54:48.168

Shira Waldman: We are all in this together!

00:54:46.826,00:54:49.826

00:54:46.875,00:54:49.875

Sacha Yachnin: Notable to hear what other parents are thinking about and asking.

00:54:46.943,00:54:49.943

ILANA Albert-Novick: Some...

Marina M.: the grade 2 parents have a what's app chat group going to share ideas/resources/socialize, and it's been really great - I highly recommed other grades to do that.
