00:00:39.849,00:00:42.849

Jeremy Miller: ...

00:01:04.835,00:01:07.835

Jon Mitzmacher: @Jeremy Still? Because we can see it on the screen...

00:02:13.168,00:02:16.168

Jeremy Miller: no it is just a green screen

00:02:21.841,00:02:24.841

Jeremy Miller: now it is just a green screen

00:02:22.673,00:02:25.673

Tamara A: 🥰

00:02:40.269,00:02:43.269

Keren Gordon: @Jeremy - maybe leave and rejoin because you might be frozen

00:02:42.830,00:02:45.830

Jon Mitzmacher: @Jeremy I would try exiting and re-entering...I don't think anyone else is unable to see it.

00:04:25.374,00:04:28.374

Jeremy Miller: still nothing

00:05:19.600,00:05:22.600

Keren Gordon: @Jeremy - I can try emailing you a link, but we are also recording the presentation if that doesn't work.

00:05:20.994,00:05:23.994

Jon Mitzmacher: @Jeremy I am not sure we can super-sleuth this for you...I think you'll get the

gist from the conversation, and we can send you the slides afterwards and/or you can check them out via the recording.

00:07:04.213,00:07:07.213

Liora Richler: Geremy.. if you are on the phone it may appear as another participant. Clicking on that brought me to the presentation..

00:07:36.546,00:07:39.546

Geremy Miller: not on a phone.

00:07:42.083,00:07:45.083

Geremy Miller: laptop

00:10:58.090,00:11:01.090

Geremy Miller: watching on phone!

00:11:42.377,00:11:45.377

Jon Mitzmacher: Problem-solver! :)

00:14:09.023,00:14:12.023

Geremy Miller: question about how the computer dependency from grade 4- 8 translate into high school and the lack of devices in that system.

00:14:30.090,00:14:33.090

Harris Prehogan: Way to go, Geremy!

00:15:47.895,00:15:50.895

Jon Mitzmacher: @Geremy We are almost at question time!

00:15:49.452,00:15:52.452

Liora Richler: I'm sure this will come up.. which device is preferred..laptop vs tablet?

00:16:17.464,00:16:20.464

Julie Bennett: @Geremy the kids will need devices in high school as well.

00:17:04.438,00:17:07.438

Liora Richler: What about security on each device?

00:17:32.593,00:17:35.593

Geremy Miller: pretty close!

00:17:53.172,00:17:56.172

Shoshana Moss: If kids are blogging and other people from outside the school are responding,

who is monitoring those interactions?

00:20:16.409,00:20:19.409

Jeremy Miller: in particular...scheduling, calendar, planning, agenda. it is not the skills it is the practical use.

00:30:24.611,00:30:27.611

Shoshana Moss: Apologies if I missed this, but is the idea that they leave the device at school, or that they will be bringing it back and forth from home to school?

00:31:42.252,00:31:45.252

Jon Mitzmacher: @Shoshana We would expect them to go back and forth...that's the value add of owning it.

00:34:08.213,00:34:11.213

Keren Gordon: @Shoshana - some families elect to have the device stay at school from Monday-Friday because the students can still access the work from home.

00:34:36.405,00:34:39.405

Liora Richler: Applied and heard that private schools have been rejected for covid education funding.... did anyone else experience this?

00:34:58.191,00:35:01.191

Liora Richler: Students attending private schools

00:35:00.708,00:35:03.708

Shari Borsuk: Everyone qualifies for \$200 per kid..... from the Ontario government. Regardless of public/private. We got it no questions asked.

00:35:02.659,00:35:05.659

Jon Mitzmacher: @Liora For that specific fund? Because that is for sure including private schools...

00:35:08.093,00:35:11.093

Julie Bennett: My own three children have used small chromebooks and they have lasted for over five years. The chromebooks are also easy to put into backpacks.

00:35:44.226,00:35:47.226

Liora Richler: We were rejected for 3 out of 4 off our kids...

00:37:06.704,00:37:09.704

Harris Prehogan: I got it for all 4 of my children no questions asked. You shouldn't have been rejected

00:37:27.005,00:37:30.005

Liora Richler: Thanks..I will look into it :)

00:37:53.657,00:37:56.657

Shoshana Moss: That could be a lot of weight in the backpack on a daily basis

00:39:18.205,00:39:21.205

Keren Gordon: Thanks so much for joining us this evening. We were happy to be able to answer your questions. Thanks, Mrs. Thompson for organizing this sessions.
