

## Student Immunization Information

Students attending school in Ontario must provide proof of immunization against **diphtheria, tetanus, polio, measles, mumps and rubella** as required by the *Immunization of School Pupils Act*. Students who are not immunized must provide a valid exemption.

Ottawa Public Health collects and maintains student immunization information. The information is reviewed each school year to ensure that students continue to meet the requirements of the law.

**Please remember to contact the Immunization Program to update your child's immunization information every time your child is vaccinated. This can be done on the web at [ottawa.ca/health](http://ottawa.ca/health).**

If an exemption is required for any reason, contact the Immunization Program at 613-580-6744 extension 24108.

**Please complete this form and attach a photocopy of the student's immunization record or the original exemption affidavit.**
