2024 - 2025 Tuition Rates and Guidelines

OJCS Tuition

The 2024-2025 tuition amount is presented on the Tuition Grid below. It should be noted that the current tuition does not represent the “true” cost of education and the gap is funded through community allocations and fundraising activities by the school. The Jewish Federation of Ottawa is a major funder of Jewish day school education and subsidizes a significant portion of daily operational costs (**approximately 20% of your annual tuition, nearly \$3,500 per student**) ensuring that Jewish education remains accessible to families in our community. To the extent that you are able to fund the gap between tuition and the true cost to educate your child(ren), this option has been provided and a charitable receipt will be issued for the amount selected.

OJCS Tuition Grid

The OJCS Tuition Grid outlines the subsidized tuition rates. The Tuition Grid allows families to take advantage of subsidies available on a sliding scale based on gross family income. Please see details of the OJCS tuition grid below.

Tuition Rate Options

*The OJCS offers three (3) options for tuition rates (only **one** can be selected per family):*

1 – Tuition: Full tuition rate(s).

2 – Tuition Grid - Subsidized Tuition: Parents have the option of accessing available subsidies by paying tuition on a sliding scale based on their income range as outlined in the OJCS Tuition Grid on page 1. This requires the completion of the *Financial Declaration Form* (available for download at theoics.ca/tuitionguides). This form will only be reviewed by the school's Chief Accountant and the information will be protected in accordance with our Privacy Commitment.

3 - Tuition Assistance Program: The Tuition Assistance Program is a confidential program that provides more significant tuition relief to eligible families, considering personal circumstances, such as income, cash flow, and number of dependants. Applicants are asked to complete an application which will be processed through Apple Financial Services and an anonymous and confidential Tuition Assistance Committee, after which you will be notified of your approved tuition rate. Background to the Tuition Assistance Program, the application process and frequently asked questions can be found in the file “Tuition Assistance Program 2024-25.pdf”, available for download at theoics.ca/tuitionguides.
