

**Ottawa Jewish Community School**

*Established in 1949 as Hillel Academy*

### **Special Resource Teacher Grades 4-8**

We are currently seeking a full-time Special Resource Teacher for the upcoming part of the 2025-2026 school year (late August 2025 - March/April 2026). The candidate we move forward with will:

- Offer support with tracking student progress and helping teachers to personalize learning for each student;
- Offering teachers support with identifying and accommodating students with learning needs;
- Provide coaching to teachers who offer direct instruction to students who require gifted programming and/or remediation (K-8), as well as monitoring student progress;
- Working in partnership with parents to arrange supports and assessments for students;
- Reading psycho-educational assessments, and other assessments, when needed;
- Participating in IEP meetings with In-School Team and parents;
- Supporting teachers with planning and carrying out accommodations and modified programming for their students;
- Providing behaviour management intervention;
- Assisting with Executive Functioning lagging skills;
- Locating and providing resources for classroom teachers;
- Listening to teachers regarding their students' needs and suggesting strategies and interventions;
- Writing Resource Reports to ensure students and parents are aware of progress and areas for growth;
- Providing students with Quiet Rooms for tests and exams;
- Working knowledge and offering support with delivery of CAT-4 assessment.

Qualifications for Position:

- Ontario College of Teachers' Certificate of Qualification
- Qualified to teach in the Primary, Junior and/or Intermediate divisions in accordance with Ministry of Education Regulations
- Special Education Part 3 or equivalent qualifications
- Master Degree in Special Education an asset
- +2 years experience with offering resource support
